# GENERAL INFORMATION

When using the telephone speak distinctly in a moderate tone of voice with lips close to the mouthpiece.

Answer your bell promptly but do not remove the receiver from the hook while the bell is ringing. It may interfere with the signals.

To recall the operator or when through talking, hang up the receiver and give the handle one sharp turn.

Call by telephone number, not by name.

Call "Information" for names not listed.

Call "Chief Operator" to report unsatisfactory handling of your calls.

Call "Repair Clerk" when your telephone is out of order.

## LONG DISTANCE TELEPHONE SERVICE

**Station-to-station service.** The term Station-to-Station service is defined as a connection between any two telephones (including private branch exchange switchboard operator) and does not contemplate the establishment of conversation between particular individuals or departments of private branch exchanges.

Under Station-to-Station rates a charge for a message is made in all cases where a connection is established with the called station.

Liberal reductions are made between 8:30 P. M. and 4:30 A. M. on station-to-station calls where the day rate is 30 cents or more as follows:

**Evening Rates:**—Between 8:30 P. M. and 12 Midnight, approximately one-half of the day rates.

**Night Rates:**—Between 12 Midnight and

4:30 A. M., approximately one-fourth of the day rates.

Minimum "Evening" or "Night" rates, 25 cents.

**Person-to-person service.** Calls for particular individuals are accepted at a rate of approximately one-fourth more than those quoted under Station-to-Station service.

A Report Charge in addition to regular message charge is not made provided the call is completed on the day it is filed, or if it is carried forward and completed on the following day.

**Appointment calls.** An Appointment Call is a Person-to-Person call on which communication is to be established at a specified time.

The rate for an Appointment Call is approximately one-half more than the Station-to-Station rate; but in the case of any Appointment Call, where the distant station is reached, whether the appointment be made or not, the Report Charge applicable in case of Person-to-Person calls shall be made.

**Messenger calls.** Messenger Calls are Person-to-Person calls requiring the use of a messenger to secure a designated person.

The rates for Messenger Calls shall be the same as apply to Appointment Calls, plus any charges that may be required for the service of messengers.

Messenger charges incurred are to be paid even if desired conversation is not held.

**Collect calls.** Collect Calls are Person-to-Person calls; the charges for which are "reversed"; that is, to be collected from the called station, provided the charges are accepted by the person called.

For Information not given above concerning long distance service, call "Long Distance."

# TELEPHONE HOME

When out of town keep in close touch with home by means of Bell Long Distance Lines.

Letters that are forwarded may not reach you for many days. A Long Distance Telephone call brings an immediate reply.

"Station-to-Station" service as described elsewhere in this directory is found to be very satisfactory for messages of this kind and the cost is substantially less.
