

BOOK A BRICK

Book your brick and become a permanent part of the Ela Area Public Library!

- Brick programs are the perfect way to honor loved ones and to commemorate birthdays, graduations, anniversaries or other special events. The cost of each brick directly supports library service and gives permanent recognition to donors for their contributions.
- Each brick is made of weather-sealed, tinted clay. Engraved letters have a black fill for greater legibility and durability. Engraved with your name or personal message, the brick pavers will leave a lasting impression and a unique reminder of your loved ones or special occasions.
- Bricks are in a high-visibility location, bordering the walkway to the front door of the library. Families may purchase one brick per person and ask that they be grouped together when installed.

Proceeds will help purchase equipment for the building.
