

Staff Culture Statement

At the Ela Area Public Library District, we

- foster one another's strengths & passions to better serve our community;
- maintain open & positive communication;
- work with joy and make room for fun;
- encourage enthusiastic collaboration for world-class experiences;
- create new points of discovery;
- model learning to empower our community;
- uphold our standards of service;
- surprise and delight our public;
- help and support one another with kindness and thoughtful leadership;
- embrace and empower people of all cultures and differing abilities.
